

Application for STUART Grant

Please complete the application below and return it to the Arkansas Science & Technology Authority.
Deadline for submissions is June 14, 2002.

First Name _____ Last Name _____

Home Address _____

City _____ Zip _____ County _____

Home Phone _____ E-Mail Address _____

Name of School _____

School Address _____

City _____ Zip _____ County _____

School Phone _____ Principal _____

What grades do you teach? _____

What is your highest educational degree? _____

Specify the area of your degree: _____

How long have you been teaching? _____ How long have you been teaching science? _____

List the science topics taught per semester in your classes: _____

What is the approximate average number of students who participate in your science class? _____

Describe, in 50-100 words, the educational importance of receiving a science grant for your students:

In 50-250 words, how will the STUART grant be matched to specific course topics in your curriculum?

Have you read the attached list of conditions and restrictions for the use of the STUART grant? yes no

Teacher Signature _____ Date _____

Principal Signature _____ Date _____

STUART Grant Conditions & Restrictions

The following conditions and restrictions apply to the Arkansas Science & Technology Authority STUART grant. By accepting the grant, teachers and their principals agree to these conditions and restrictions.

- STUART grant funds must be expended in one year from award date.
- STUART equipment must be ordered and installed by the second week of the fall school semester for the year that the application is awarded.
- Teachers who receive the STUART grant must complete a final report at the end of the grant period. The final report must indicate the effect that the STUART grant and equipment had on teaching the material and on student performance.
- The school principal must sign the final report indicating that the STUART grant funds were used for student science classroom instruction.
- STUART grant awardees must keep a record and receipt of all costs associated with the purchase and installation of STUART equipment. Receipts must accompany the final report.
- STUART grant awardees must administer a pre- and post-test to their students at the beginning and end of the academic period in which the grant support was used. This test will be provided by the Authority. A copy of the pre- and post-test must be submitted with the test results at the end of the grant period. Test results must be coded by the teacher to maintain student confidentiality. Participating schools will also remain confidential. The Authority will compare test results to measure the academic impact of the grants.
- Applications must be received no later than 4:30 p.m., June 14, 2002.
- Applications must be submitted by mail to:
